## Miss CCTC Pageant

Sixteen ladies entered the 1983 Miss CCTC Pageant. Contestants competed in four categories to vie for the crown. Early in the evening, contestants were interviewed by a panel of judges. Later the contestants were judged in casual, business, and formal attire as they appeared on stage before the audience. After nearly two hours of competition, the judges released their decision; and Teri Francis was crowned Miss CCTC.

## Contestants

Back row: Renee Harris, Jackie Reaves, Angela McCants, Jeri Hayhurst, Melanie Patterson, Jill Metzler, Teri Francis. Front row: Brenda Taylor, Tammy Moser, Susie Hunter, Debra Seagroves, Lisa McCann, Teresa Maddox, Denise Boyte.

## Pageant Finalists

Jacqueline Reaves, 4th runner up; Lisa McCann, 3rd runner up; Teri Francis, Miss CCTC; Pandora Byrd, 2nd runner up; Melanie Patterson; 1st runner up.

## ADMINISTRATION, FACULTY AND STAFF

## Dr. Marvin Joyner, President

On November 1, 1983 the CCTC Board of Trustees, Administration, Faculty and Staff welcomed the new president of our college, Dr. Marvin Joyner, with a reception in the Student Center. Dr. Joyner assumed his position on December 1, 1983. He came to CCTC from Wilson Technical College where he was Vice President for Instruction. Dr. Joyner, himself, is a product of the community college system, with an associate degree from Wilson Technical College. He holds bachelor's and doctoral degrees from Atlantic Christian College and North Carolina State University, respectively.

## Barbara Lott, Employee Of The Year

Barbara L. Lott, Reproduction Secretary, was named "Employee of the Year" for 1982-83 in May 1983. She was selected to receive the award by her co-workers and a final selection committee. With the honor, Ms. Lott received a \$500.00 cash gift donated by The Carolina Bank. Pictured above are Ms. Lott and her son; looking on are Peggy Byrd of The Carolina Bank and former CCTC Board of Trustee Chairman Doug Wilkinson. Pictured to the left is former CCTC President Hockaday presenting Ms. Lott with the Employee of the Year plaque.

# Tournament Winners

Recreation Team members: Andy Bethea, Ronald Blackman, Arch Bynum, Terry Campbell, John Judd, Ray McDougald, Jimmie McIver, Antonio Smith; Coach.

The 1983-84 Intramural League had teams from the following departments: Data Processing, Electronics, General Education, Industrial Maintenance, Recreation, Telephony, and Faculty. One team seemed to dominate competition, the Recreation team. This team won the Intramural League regular season competition, the intramural tournament and the intercollegiate tournament of the Piedmont Activities Conference.

## Tennis Team Wins Tournament

The 1983-84 Tennis Team experienced success this year that nearly went unnoticed. Our intercollegiate team won a round robin tournament of the Piedmont Activities Conference in November 1983. Conference members who participated were: Durham Technical College, Piedmont Technical College, Randolph Technical College, Richmond Technical College, Rockingham Community College, Technical College of Alabama, and Central Carolina Technical College.

Team members: kneeling: George Martin, David Norton, standing: Martha Branon, and Coach Ron Hamrick

## Valentine Carnation Sales

Valentine carnations were sold by the Student Government Association on Valentines Day. A variety of pink, red and white carnations were available for \$1.00 each. Feelings for sweethearts, friends and those secretly admired were expressed through giving carnations. Proceeds from the carnation sale, \$68.00, were donated to the Heart Fund of Lee County.

The Student Government Association held the third annual Miss Sweetheart/Mr. Heartthrob Contest on Valentines Day. Winners were selected by an election with votes being 1¢ each. The SGA officers counted many pennies to determine the amount donated. Over \$54.00 was collected. The money was donated to the Heart Fund of Lee County.

Our visiting artist, David Smith, had a successful year during 1983-84. During his second year here he has completed many new paintings and shared his artistic talent with others through workshops, lectures, class appearances and displays of his work. David ended the year with an exhibition of his paintings at the Southern National Bank in Sanford.

## Class Rings

Pursuing post secondary education is a challenge that differs for each of us. Our goals vary from taking one course to completing requirements for a diploma or degree. Class rings are a traditional way to recognize and remember our academic achievement. After investing much time and effort in earning a degree, a sizable monetary expense is required. Prices for rings continue to escalate to where rings require an investment from \$85.00 to \$210.00.

Dedication  
To Teaching

## William Preston Sellers

The 1983-84 edition of "Cougar Tracks" is dedicated to an individual who is truly dedicated to his profession. Seldom do we pause to recognize excellence in teaching. Our instructors are often taken for granted; and rarely do we express our appreciation to them. Thus, in dedicating this yearbook to William Preston Sellers, it is with acknowledgement of his outstanding performance as a member of the faculty of Central Carolina Technical College.

Preston Sellers has been employed at Central Carolina Technical College since August 1, 1974. He is a versatile member of our faculty, qualified to teach physics, math and many aspects of Instrumentation and Electronics. He has earned a bachelor's and a master's degree in Physics from North Carolina State University; and he has completed course work required for a PhD in Physics. Mr. Sellers is married and has two children. His hobbies include: sailing, camping, photography and reading.

## Colophon

The 1983-84 editor of Cougar Tracks was printed by Josten's American Yearbook Company, Clarksville, Tennessee. The press was 700 copies. Sales representative is Warren Klawiter. Paper stock is 70 pound gloss with black ink. The cover is silkscreened. Cover art is by Bob Lawrence. Helvetica typestyle is used throughout the book.

Student portraits were photographed by Denny Johnson and Robert Ross. Kodak Tri X Pan and Plus X Pan films were used for black and white photographs. Photos were printed on Kodak Polycontrast Rapid II RC Paper. Cameras used: Ricoh, Nikkormat, Nikon FM, Nikon F3, and Mamiya RB 67. Color prints were made from Kodak Vericolor III Color Negative Film and processed by Spectrum Color Lab, Sanford, NC.

# Light

In September the year was anew,  
Each of us come in search of knowledge  
In the dark, but with a desire to know, to  
see  
But just as we need light, to perceive  
with our eyes  
We need the light gained by knowledge,  
For success in all our pursuits.  
As this year comes to a close, in retro-  
spect,  
Can we consider our year a sunrise?
